Welcome to the Fresno Rescue Mission family! We appreciate your recent gift of \$472.50 and want to let you know how much it means to the men, women and children who will benefit from your generosity.

The Fresno Rescue Mission relies on donations from individuals, churches, businesses, service organizations and foundations, and we receive no government funding. Your donation is already at work. We couldn't do it without you!

The goal of the Fresno Rescue Mission is to change lives through the gospel of Jesus Christ. The Mission is more than just a soup kitchen or flop house... it is an organization dedicated to rebuilding broken lives... providing hope for a normal, fulfilling life, the opportunity for restoration and a wholeness that comes from faith in God. "We believe...building on faith, hope, and excellence since 1949."

We believe:

- In the hope of Christ as our Foundation, and that with God all things are possible!
- In the hope that every child can grow up in a loving environment!
- In the hope that every man and woman can put behind them the mistakes and fears that keep them from moving forward towards a positive, fruitful life!
- In the hope that every family can live together in an environment free from substance, child and spousal abuse.
- In the hope that every community can be free from gangs, drugs, violence, and crime and that our community can be restored!

If you have never visited the Fresno Rescue Mission, we would like to give you an opportunity to see for yourself... contact us and we will be pleased to set up a tour for you. God bless you for your faithfulness, and thank you for "*believing that change is possible!*"
