Dear Community Food Bank Supporter,

Thank you for your contribution of \$500 in 2012.

I am so grateful for friends like you – friends who understand that hunger is indeed a serious problem here in the Central Valley. Luckily, it's a problem we are doing something about.

Every dollar you gave provided enough food and grocery products for 9 meals. With your help, we distributed 20 million pounds of food last year. Your partnership with us is making an incredible difference in the lives of local children and their families.

We hope to partner with you again in 2013 as we strive to end hunger in the Central Valley. Thank you for your support.

No goods or services were provided in exchange for your contribution.

Dear Asian Pacific State Employee Association Central Valley Chapter,

On behalf of the U. S. Marine Corps and the Marine Toys for Tots Foundation, I would like to thank you for your generous gift of \$1,000. Your commitment to helping the Marine Corps provide the joy of Christmas and send a message of hope to our nation's less fortunate children is sincerely appreciated.

Each year, the Marine Toys for Tots Foundation redoubles its effort to accomplish our mission, and frankly, this would not be possible without donors such as you.

Again, please accept my sincere appreciation for your generosity and support. You are truly making a difference in the lives of America's less fortunate children.

An end of year tax statement will be provided to you at the conclusion of this year's campaign.

Sincerely,

A handwritten signature in dark ink that reads "H P Osman".

President and CEO

*Please accept my personal thanks for your very generous donation.*
