APSEA Supporting Our Community

The Asian Pacific State Employees Association (APSEA) Board Members will proudly serve as volunteers for Assembly Member Stephanie Nguyen's first annual Thanksgiving Drive-Thru Turkey Giveaway.

Turkeys will be distributed on Saturday, November 18 at Luther Burbank High School from 10 a.m. to 1 p.m.

While supplies last, one turkey will be available for each family that drives through (drivers should enter from Luther Drive and remain in the car).

For more information about this event or to suggest other volunteer opportunities, please email APSEA.events@gmail.com.

CDP Lunchtime Workshop: November 8

APSEA and the Association of California State Employees with Disabilities (ACSED) apologize for the technical difficulties that prevented us from presenting the October Career Development Program (CDPH) lunchtime workshop featuring Sacramento Superior Court Judge Andy Mudryk.

The workshop has been rescheduled for Wednesday, November 18. Those who previously registered will be able to participate. For those unable to attend, a recording of this workshop will be posted on the APSEA website, along with recordings of all previous CDP workshops.
